

Grand finale !!

Welcome to the July 2018 edition of the Watoto Wasoka Newsletter!

We had quite an eventful month of July and start of August. We kicked off the last month with the [on-filed training with our partners Coaches Across Continents](#) (CAC) for a one-week training with over 40 community coaches in Kampala. This is the second year of our 3-year Hat-Trick partnership with CAC.

We then organised the second edition of the [annual Girls' Gala](#) as part of the 2018 Primary Schools League season with the best two schools/teams qualifying for the finals in August.

We then followed up with the grand festival of the [Football 4 WASH Challenge](#) with our partners Viva con Agua where we had 16 schools competing in various water, sanitation and hygiene (WASH) drills.

We started this month with the [climax of the 2018 Primary Schools League season](#). Congratulations to Rays of Grace Junior School (boys) and St. Noa Junior School (girls) who emerged victor of the 2018 edition.

Football Made In Slums!

Founded in 2009, we're a non-profit, youth-led football for development organisation. We use football as a vehicle for social change in the lives of slum children in Uganda. We seek to change lives, one game at a time through structured football programs.

As one of our main support concepts, we facilitate access to primary and secondary education for slum children. Through our close ties with the slum football scene, public and private schools, we have a unique network which has enabled more than 600 kids to attend school which they would otherwise not have.

We offer health education (Football4WASH, HIV/AIDS, vocational training, school support and a place to call home/go-to during holidays or when times are rough.
