

Christmas Camp is here !!!

Welcome to our October 2018 Newsletter.

We are thrilled to share some really great news from the last few weeks.

We found a venue for the **2018/19 Christmas Camp**. It's happening again and we can't wait to welcome 2.500 kids to the 7th edition of Uganda's biggest football festival.

We have joined the **streetfootballworld network**! We join more than a hundred other organisations around the globe, using football to change the world.

We also share some photos from our previous Football 4 WASH trainings with **school teachers and pupils from Karamoja** as well as the **training with community coaches** in Kampala.

We hope you enjoy your read!

Football Made In Slums!

Founded in 2009, we're a non-profit, youth-led football for development organisation. We use football as a vehicle for social change in the lives of slum children in Uganda. We seek to change lives, one game at a time through structured football programs.

As one of our main support concepts, we facilitate access to primary and secondary education for slum children. Through our close ties with the slum football scene, public and private schools, we have a unique network which has enabled more than 600 kids to attend school which they would otherwise not have.

We offer health education (Football4WASH, HIV/AIDS, vocational training, school support and a place to call home/go-to during holidays or when times are rough.
