WATOTO WASOKA
FOOTBALL MADE IN SLUMS

Holiday time, fun time !!

It was smiles all throughout the three weeks we shared during the second term holidays with the kids. We played and enjoyed ourselves to the fullest. We caught up with old folks. We played football, of course. Lots of football !

Alex was with us the whole time – and together with Nils (both from Sparta Nordhorn, Germany). We want to share with you some photos from Alex and Nils' time with us during the holidays.

Meanwhile, our internal teams of the Sparta U15s continue being stronger. The team still leads in the U15s Kampala regional league having lost only once and drawn just two. The rest of the 15 games – wins! The league comes to a close mid – October and we look forward to the finale.

The preparations of the Christmas Camp get clearer. In our next newsletter, we will be able to share with you how you can get involved to support and to volunteer.

Remember the dates—28th December 2017 till 3rd January 2018 at Royal Giant School—Mityana!

Welcome to our September 2017 Newsletter. We hope you enjoy it.

Football Made In Slums!

Watoto Wasoka was founded in 2009.

Watoto Wasoka – football made in slums, is a local NGO based in the heart of Kampala's biggest slums. We are a non-profit, community – led youth development organization which uses soccer as a vehicle for positive change in the life of slum children in Uganda. The organization aims to promote street and slum kids through their love for football, and tries to provide them with an alternative to street life for a better future perspective. We offer shelter, education and school support.

Upon realization of our first model centre, we intend to include health services & job training for those, who do not obtain scholarships.
